Application fee

An application fee will be invoiced when the Ecolabelling organization has received the application.

Applicant's undertaking

We are well acquainted with the Regulations for Nordic Ecolabelling of Products, the Fee Regulations for Nordic Ecolabelling and the Logo Guideline for the Nordic Ecolabel. If our application for a Nordic Ecolabelling licence is granted, we undertake to follow its rules as well as the Nordic Ecolabelling criteria and other regulations of which the Nordic Ecolabelling organization may inform us.

We thus undertake to follow the above-named regulations and:

- to satisfy current regulatory requirements on the exterior and interior environment in all production and handling of the product.
- to satisfy regulatory requirements applicable to the product in the Nordic area.
- to use the Nordic Ecolabel only on products that satisfy, in all respects, the requirements in the current Nordic Ecolabelling criteria.
- to use the Nordic Ecolabel only on products included in our licence.
- not to simultaneously market the same product with same product name in the Nordic countries with and without the Nordic Ecolabel.
- to use the Nordic Ecolabel in accordance with Section 7 of the Regulations for Nordic Ecolabelling of Products and the Logo Guidelines for the Nordic Ecolabel.
- to provide factual information on the significance of Nordic Ecolabelling in product advertising and marketing material.
- to pay the required fee to the Nordic Ecolabelling organization and other costs in connection with our application for a Nordic Ecolabelling licence and the inspection and testing on Nordic Ecolabelled products which are demanded by the Nordic Ecolabelling criteria in question or other regulations.
- to supplement the application with documentation regarding particular national requirements if the product is to be marketed in countries other than those specified at the time of application.
- to indemnify in full the Nordic Ecolabelling organization in the event of claims or other financial expenses incurred by the Nordic Ecolabelling organization as a result of damage caused by the product manufactured and/or sold by the licensee, including faults and defects in the product itself.
- to immediately report any product or market changes that affect the issued licence, to the Nordic Ecolabelling organizations where the product/service is sold.
- to use the Nordic Ecolabel only while the associated licence is valid.

The agreement permitting the use of and reference to the Nordic Ecolabel is concluded when a licence is issued by the Nordic Ecolabelling organization.
